AGWC ROCKIN' RESCUE ADOPTION QUESTIONNAIRE FOR CATS

Completion of this application does not guarantee adoption of a rescue cat

Kitten Adoption Fee \$200 Adult Cats \$150

Pet ownership is a serious responsibility. The policy of AGWC Rockin' Rescues Pet Center is to assure that each person(s) who adopts a cat is aware of the responsibilities, that each person(s) is capable of and willing to accept the responsibilities morally, physically, and financially. Unfortunately, it is quite true that not everyone who desires to own a cat should own a cat.

The following questionnaire has been designed to aid both you and AGWC Rockin' Rescues Pet Center in deciding if you and your family are indeed at this moment adequately prepared to assume the type of responsible ownership which we are endeavoring to assure for our adoptive cat(s).

Please be sure to answer ALL questions as thoroughly as possible and feel free to add your own comments. If a question does not apply to you, please answer with "N/A". Due to the high volume of applications we receive, incomplete applications will not be considered.

The first section of the questionnaire is designed to aid us in deciding if the proper daily environmental conditions are available in order to provide responsible care for the cat(s).
